The time is too short for out of state approval. I know that its much further but the massachusetts seminar is possible. You could also see if agilent is offering this again at a later date for which we could try to get approval for albany. Julie

Hi Julie,

Becky is interested in this course on MS. Is it possible for out of state (Albany, NY) reimbursement if she is allowed to go?

Jim

Free Seminar:

## Greater Albany Mass Spectrometry Seminar

The Desmond Hotel & Conference Center  
660 Albany Shaker Road  
**Albany, NY 12211**

**November 16, 2010**  
**8:30 am - 1:00 pm**

Your success depends on your ability to optimize laboratory productivity, generate results that advance scientific understanding, and adapt to changing needs and environments. Join us for a half-day seminar, where we'll explore the latest advances in Waters mass spectrometry, including the Xevo® family of instruments and the SYNAPT® G2, the next generation in High Definition Mass Spectrometry™, giving you the power to overcome your challenges and exceed the demands of your laboratory.

### **Agenda includes:**

- New Product Overview
- Recent Advances in Clinical and Forensic MS
- Xevo TQ-S Unrivaled Sensitivity for Food Safety and Chemical Analysis
- Xevo G2 QToF: Characterization of Biotherapeutics
- SYNAPT G2 High Definition Proteomics
